

ROCK SOLID BLADES WITH INDUSTRY LEADING QUALITY

Standard Features:

- **Dirt and Snow Management:** Primarily designed for dirt, heavy snow management or light material but don't let that limit what you move
- **Overbuilt and Out Performing:** Manufactured with American steel and inspected against the highest quality standards is why our employees are so proud of this Midwest made product
- **Double Hydraulic Cylinders:** Quick connect couplers allow for easy attaching to any skid steer or mini skid steer
- **Large Cut Angle Rotation:** No more worries on which way to move earth or snow, this blade can cut up to 30° rotation to the left or to the right
- **Easy Transitions:** Use this blade for dirt work or snow management with a quick change of the trip springs and lock out bolts
- **Adjustable Depth Guides:** Manually change around the spacers on the skid shoes to modify blade height to control blade height and surface contact
- **3R Cutting Edge:** Save time and money with this removable, reversible and replaceable cutting edge
- **Universal Mount:** Allows for one standard attachment for skids steers and mini skid steers, no need for special hook-ups or attachments
- **Rolled Steel Blade:** We take the time to roll our thick, American steel for increased pressure resistance and minimize potential breakdowns by offering one solid steel blade
- **Continual Improvement:** At HitchDoc, we take our products out year after year and push them to the breaking point, whether moving logs, earth, snow, rock, mulch, we try it all to maintain our quality levels

Optional Features:

- **8-inch Blade Extension:** Attaches to the top of the blade and made from steel to increase capacity
- **Rubber Cutting Edge:** This 1 inch thick, 6-inch wide option minimizes wear on the plowing surface
- **Float Kit:** Available on skid steers over 50 HP, this option operates independently from the machine to self-adjust the blade-surface contact

SPECIFICATIONS

Model Options	Machine Type	HP Required	Height	Width Options
Standard Blade & Universal Mount	Skid Steer	Below 50 HP	22"	4', 5', 6', 7', 8'
Professional Heavy Duty Blade & Universal Mount	Skid Steer	50+ HP	28"	6', 7', 8', 9', 10'
Mini Skid Standard Blade & Universal Mount	Mini Skid Steer	NA	22"	4', 5'
